

**DFA International Small Cap Fund
Proxy Voting Record
For the period ended June 30, 2007**

Pursuant to the proxy voting policy of the Dimensional Funds, during the relevant period ended June 30, 2007, the DFA International Small Cap Fund did not vote proxies. As a result, the proxy voting record for this period is not available. In accordance with the proxy voting policies and procedures and proxy voting guidelines adopted by the fund, the decision not to vote proxies was made based on the sub-advisor's assessment that the expected economic costs from voting outweighed the benefits associated with voting. The decision whether or not to vote proxies is reviewed periodically. For further information, see the summary of the proxy voting policies and procedures and proxy voting guidelines found in the Annual Information Form for the fund.
